Libero is for staff

Empower library staff by providing an efficient and comprehensive platform to manage a diverse range of tasks. From cataloguing and acquisitions to circulation and member management, Libero's intuitive interface simplifies complex processes, allowing library staff to focus more on engaging with employees.

Libero is for employees

Enrich your employees experience with seamless online catalogue and user-friendly selfservice options. Employees can explore the library's offerings with ease, fostering a sense of independence and convenience.

Libero's robust search and recommendation features ensures that employees can discover relevant resources, making their visits to the library even more rewarding and insightful. Whether for corporate collections, academic research, personal growth, or leisurely reading, Libero bridges the gap between users and the wealth of knowledge available from your library.

What our customers say

“

We are very pleased with Libero. The system works seamlessly, and the Libero staff in particular are always very accommodating and helpful. We value the prompt support, which is possible due to the Libero Support staff operating out of Australia. This was a key aspect we were looking for when searching for a new library system.
